

## PGY1 Pharmacy Residency

Based in Nashville, Tennessee, HCA Healthcare is **one of the nation's leading providers of healthcare** services. HCA Healthcare is made up of locally managed facilities that include >180 hospitals and approximately 1,800 sites of care, including surgery centers, freestanding ERs, urgent care centers and physician clinics, in 20 states and the United Kingdom.

### Program Description and Benefits

Each of the **two PGY1 pharmacy residents** will have an opportunity to learn across the continuum of care in an environment which places the care and improvement of human life above all else. Residents will meet residency objectives through hospital and corporate learning experiences with the goal of continuing residency training in a PGY-2 program.

As members of a team of **eight pharmacy residents**, each resident performs the vital role as preceptor for students rotating through the corporate office practice site. HCA has strong ties to the three local schools of pharmacy and involvement with several others nationwide.

In addition to a competitive salary, residents also enjoy **additional benefits**:

- Medical, dental, and vision insurance available through the University of Tennessee
- Travel allowance for participation in professional meetings
- Free parking
- Access to corporate gym/workout facility

### After Residency

This program will prepare the residents for positions including, but not limited to: Post-Graduate Year 2 training, clinical pharmacy roles, and pharmacy leadership roles.

### Application Requirements

Utilize PhORCAS system to submit the following information by **December 31st**:

- Letter of intent
- Three letters of recommendation
- Curriculum vitae (CV)
- Official school transcripts
