

HEALTHCARE WORKER – NON-HOSPITAL - COVID VACCINE EXEMPTION REQUEST FORM

Pursuant to an order from the Denver Department of Public Health and Environment dated August 2, 2021, due to the recent surge of Delta variant COVID-19 cases and epidemiological evidence that shows low rates of vaccination fuel increased rates of community transmission, all physician practices, surgery centers, urgent care centers and care now sites employees, in the City and County of Denver are required to be fully vaccinated by **September 30, 2021**.

As required by the Order, as well as state and federal law, reasonable accommodations will be provided to colleagues have a medical condition or religious belief which prohibits them from receiving COVID-19 vaccination. Any colleague wishing to request an accommodation, and therefore an exemption for the vaccine mandate, must complete this form and submit it to the Human Resources Department by **September 30, 2021**.
